FRANSCHHOEK Cap Classique & Champagne Festival

The Magic of Bubbles
Sat 6 & Sun 7 December 2008

The country's 'gourmet capital' plays host to the country's largest Cap Classique and Champagne Festival, from noon to sunset on the 6th and 7th December 2008. The Festival boasts an impressive array of celebrated Cap Classique producers as well as showcasing some of the finest French Champagne Houses. The venue is Franschhoek's Huguenot Monument where a lavishly-decorated grand marquee will once again grace the lush green lawns surrounding this landmark. The bubbly stalls are interspersed with a wide variety of food stands where Franschhoek's leading restaurants offer specially-prepared delicacies to enjoy with bubbles. Outside, visitors can relax at parasol-topped tables and chairs. In the village, Franschhoek's best restaurants entice visitors with specially compiled menus to complement the bubbly. Wherever you are in Franschhoek on this weekend you are bound to experience the magic of bubbles.
